

Specialty Camps 2019

Grades K-3

Camp begins at 9:00 a.m.

Schedule is subject to change.

Some weeks camp runs M-F, other weeks M/T/Th/F.

Week of 6/17 - 6/21 Mon.- Fri. (5 days)

Spanish Camp - with Carrie McSherry

Come join the fun as we explore the themes of family, pets, animals and beach day in Spanish! Campers will create interactive notebooks and engage in hands on activities, music, art projects and other active fun as they practice their new Spanish language skills.

Week of 6/24 - 6/28 Mon.- Fri. (5 days)

Tech Camp - Computer Fun! with Jonell Harvey

Let's tap into the amazing world of technology! We will design, navigate and play all while exploring coding, 3D doodle pens, blogging and other tools that will put the cyber world at your fingertips! Come join us for more fun in the computer lab!

**** SPECIALTY CAMPS DO NOT MEET 7/1 - 7/5 ****

Week of 7/8 - 7/12 Mon.- Fri. (5 days)

Science Camp - Mix It Up Madness with Alison Schooley and Sarah Johnson

Did you know $2 \text{ Hydrogen Buffalos} + 1 \text{ Oxygen Buffalo} = 2 \text{ Water Buffalos}$? Or how about that Biology is the only Science where multiplication and division mean the same thing? Come join us for this fun project based learning camp where we will be unraveling the wacky world of science and math!

OVER

Specialty Camps 2019

Grades K-3

Camp begins at 9:00 a.m.

Schedule is subject to change.

Some weeks camp runs M-F, other weeks M/T/Th/F.

Week of 7/15 - 7/19 M/T/Th/F (4 days) (Wed. Field Trip)

Math Camp with Suzanne Kochamba

Come to this action-packed week of math with interactive, hands-on learning opportunities that will help campers sharpen their current math skills and introduce them to new concepts as well. Learning through games, food and art activities help make math fun!

Week of 7/22 - 7/26 M/T/Th/F (4 days) (Wed. Field Trip)

Art Camp - Art in Nature with Carla Itkin

Nature is both magical and amazing! Campers will be inspired through the beauty of nature to create wonderful art projects using a variety of materials and techniques. Mosaics, birdhouses and treasure boxes are just a few of the projects planned for this week.
