Week of 7/15-7/19 M/T/Th/F (4 days) (Wed. Field Trip)

Sports – Tumbling Hornets with Elly Thompson

Do you have a dream of being a gymnast or do you just love the idea of being able to tumble recreationally? Join gymnastics week and work collaboratively with others to showcase your flexibility, strength and endurance.

Enrichment – Creative Journaling with Jonell Harvey

Let's be creative! Use a journal for more than jotting down your thoughts. Design your own journal in your own unique style—each day a new page and new technique. Use washi tape, create inchy doodles, learn lettering styles, draw icons, explore decorative coloring options and more!

Week of 7/22-7/26 M/T/Th/F (4 days) (Wed. Field Trip)

Sports – Hornet Circus Acts with Elly Thompson

Do you want to become an expert in circus acts? Well...step right up to the Hornet Circus Camp! Join us as we play with diabolos, stilts, pogo sticks, jump bands and spinning plates while also learning to master the art of juggling various props.

Enrichment – Engineer It! with Heidi Moore

Spend a week exploring scientific principles by creating innovative structures. Work together to build and solve challenges. Small groups rotate through various stations and through guided and innovative play, campers boost their communication and critical thinking skills.

Campers are expected to participate in all activities.
